CMS' **Title I Parent Shadow Day** is Tuesday, October 18, 2022! YOU are the reason for our student success. We are fortunate to serve you and share in the growing experiences of your child. As educational partners, we invite you to shadow your child while learning about their school experience and academic opportunities. Reserve the date, join our team, and engage in learning with your child.

Please assist us in planning your attendance to ensure ample classroom space by acknowledging your intent to attend. Space is limited, you must RSVP. Space and instructional focus require we reserve this experience for the actual parents/guardians of the student (two persons per student). As teaching and learning will remain our focus, we are unable to host siblings/children under the age of 18.

**Here are 5 good reasons why you should attend our Parent Shadow Day Event:**

- 1) **You will have the upfront, real time, golden response to the infamously often unanswered question, "What did you learn/do at school today?"**
- 2) **You will discover a new appreciation for your child's teacher and the hard work they put toward your child's success.**
- 3) **You will see how organization, note-taking, planning, and scheduling are critical to college/career readiness.**
- 4) **You will gain a connection with teachers and administrators within the school, and gain resources on tips for helping your child with homework, preparing for parent-teacher conferences and more.**
- 5) **You will have your picture taken with your child and have it posted our CMS social media.**

Please return this letter back to your child's homeroom teacher no later than **Monday, October 10, 2022**. We will send confirmation of your RSVP via email on October 12, 2022. Likewise, if you must cancel your RSVP or have any questions, please be sure to let us know. If you would like to **RSVP online**, please use link <https://bit.ly/Fall22ParentShadowDay> or visit the CMS website.
